

SUM COLLEGE OF TEACHER EDUCATION

CURRICULUM PLANNING COMMITTEE

The **Curriculum Planning Committee** of SUM College of Teacher Education is dedicated to designing and updating academic programs to ensure their relevance and effectiveness. The committee integrates modern teaching methodologies, technology, and pedagogical advancements to create a dynamic learning environment.

An essential aspect of the committee's work is incorporating feedback from faculty, students, alumni, and external experts, ensuring that the curriculum meets diverse educational and professional needs. The committee meets periodically to review programs, plan workshops for curriculum-related discussions, and propose new value-added programs and electives to enhance student learning experiences.

Functions of Curriculum Planning Committee

1. Develops and updates academic programs to align with educational standards and institutional objectives.
2. Collaborates to organize and plan in-house meetings for reviewing and discussing curriculum-related matters.
3. Plans, executes, and evaluates curricular activities each semester to ensure their effectiveness and adherence to academic goals.
3. Collects feedback from faculty, students, alumni, and external experts to inform curriculum revisions and improvements.
4. Conducts regular evaluations to maintain the curriculum's relevance in the context of evolving educational and societal needs.
5. Plans and organizes workshops and training sessions for staff and faculty to support professional growth and curriculum implementation.
6. Proposes new activities and specialized programs to address emerging trends and enrich student learning experiences.
